

JOB/PERSONALITY

Career Aptitude Test: Report

You are artistic and enterprising

The professions that best suit your personality are those that require you to be artistic and enterprising. Artistic means you that enjoy designing things, are creative and have unique expressive qualities. Enterprising means you like taking the lead and arranging matters, have an organisational mind and take responsibility. The profession of [INTERIOR ADVISOR](#) is an excellent example of this. Also consider professions such as [illustrator](#), [journalist](#), [producer](#), game designer or starting [entrepreneur](#). Alternatively, at lower qualification levels, you may consider professions such as florist, singer or fashion model.
